

The Knightly *Informer*

Grand Knight's Message

Editors Jerry Goetz and Tim Vegh timvegh@gmail.com

July August September 2015

A new fraternal year has begun! I trust that all have had a nice summer. Some hot days, for sure, but next January we can look back and relish the heat. As I write this, we are preparing for our annual golf tournament and look forward to a fun day at

Grand Valley Golf Course. Thanks to Tery Runstedler, chairman of this event and his helpers for making this another success.

We are planning for our annual membership recruitment drive in September. One of our new members, Terry Ryan, has taken on the difficult task of spearheading this for 2015/2016. We plan to make presentations at Masses the third weekend in September.

Brother Terry has attempted over the last several weeks to contact some of our current membership to determine their interest and get feedback on our activity. He has been able to reach out to approximately 50% of our membership. From the results of this brief survey, your council is either doing a reasonably good job or many members do not wish to be actively engaged in council actions and activities. As mentioned in previous issues of the *Informer*, we have a core group of active members – perhaps 30 - 35 out of a total of nearly 200. This group keeps the council going and bring the programmes and other charitable works to the fore-front each year.

If I could ask the membership as a whole for one small favour, it would be for each member to try and get out to a minimum of one meeting or event to see what your council is currently doing. Perhaps you could help by trying to assist us with our recruitment efforts. If you know of a parishioner, neighbour or family member that is NOT yet a Knight, invite that person to contact us during the month of September. We appreciate your assis-

tance. Thank you.

We have some great programmes planned again for 2015. We will try and involve the church and community as much as possible when planning these events. Please show your support! There is strength in numbers.

Please read the *Informer* for upcoming events.

We need your support, brother Knights.

Please call or e-mail me with any feedback @ 519-572-7176 or gisley@golden.net.

Brother Knights:

As Program Director I had the opportunity to volunteer in the recent two projects our Council held, namely the Car Show and the Celebration Night, held at the Maryhill Park Complex.

Both were highly successful. I had the opportunity to enjoy both events and met many members and friends that I haven't seen in years.

The reason I am telling this is because we are building relationships within our Council through volunteering. We have a very active group to help with projects, as well as have fun in doing so.

We are creating an activity log of events which will make it easier for future facilitators to follow when putting on an event.

We will record each procedure and include it in one of the six categories outlined by Supreme. Namely: Church, Community, Council, Family, Culture of Life, and Youth. Members can view this book at all meetings so come out and take a look.

Brothers: This is a start of doing more for the community and council members because, it is only through volunteering to help that we can have successful projects.

If you would like to help with a project that you are interested in, and have an hour or so to give, come out and enjoy, and have fun. I would also like to see some of my old friends at our monthly meetings.
