

Monsignor Stephen Foerster Council 6024 Maryhill

The little Council with the

# Anniversary of our Council

Editors Jerry Goetz and Tim Vegh [timvegh@gmail.com](mailto:timvegh@gmail.com)

March April 2018

We are such a mobile society today and although I have not moved lately many of you have, and we want to keep up with your changes. In this issue you will notice ( if you have the informer delivered by Canada Post) there is a label in the upper right hand corner that

shows more information. Please check and see if this is correct. If not please correct and send that information to me (see below for address). Especially include an email address because we spend a significant amount of money on postage, paper and ink which we could save if we could send you the informer by email. ( unless you desire the paper version)

The Basketball Free throw was successful although no other schools participated. I demonstrated my folly in trying to be the photographer, the Grand Knight and the printer of the certificates at this event and did a poor job of all of them.

Valentines dinner was a good success and so was the Pancake Tuesday dinner where more people were fed than in many years.

Vegas night, the Car show and the week following it the K of C Council 6024 50th Anniversary celebration are the next big events. Please note that Vegas night is actually the first week of May not the last week of April as usual.

The April 17 general meeting is nomination meeting and as ever I urge you to consider taking a position on council for relief of all the weary members who work hard to keep your council doing good works.

Work continues on the Knight's 50th celebration and in this issue we remember the priest for whom this Council was named: Monsignor Stephen Foerster. Msgr. Foerster was not the first priest at St. Boniface

Monsignor Stephen Foerster as a young priest. Taken from a photo held at the Historical Society of St. Boniface and Maryhill Community

Parish for there were a dozen or so before him, but he stayed for the longest time of any priest; from 1878 to 1924. He was transferred to Elmira but survived only a month, so for all intents and purposes he spent his whole life as St. Boniface's Priest. We have been a council only a few years longer than he was parish priest!

As editors both Jerry and I often wonder if many read the informer closely and as a consequence whether our message is getting to it's intended audience, as a test of this for those of you who have read this far, I would like to offer a free coffee delivered to any who contacts me and makes known their preferred coffee style.

I hope that you and your family have a blessed and Sacred Easter .

## Chaplain's Message

**T**he celebration and the greatest of all feasts is the resurrection of our Lord. God, because of his love and mercy, saved us from the devil's power over us. The darkness of evil is ended, because Christ conquered his power over us. The darkness of evil is ended, because Christ conquered his power with His triumph of death upon the cross and His resurrection. Jesus, because of His Death and resurrection, has given to us the promise of the glory of heaven, in which we will be given. With our Lord's death, the great sacrifice has been given to God, uniting Heaven to earth, and us with God. The sacrifice has made us God's special people and we, in turn, offer this sacrifice in thanksgiving to God every time we celebrate the Eucharist. Jesus has said that we must do this in memory of His death until He comes again in glory at the end of

Right: The Valentines dinner was a good success again this year. The CWL and the Knights shared in the profit
