The Knightly Informers Vegas Night

This Vegas Night is April 25 at the Bridgeport Rod and Gun and the proceeds will be going to the KW food bank and Scouts Canada. Come out at 8:00 pm to try your luck at the spin of the Big wheel.

Admission is free and don't forget to collect your free \$5 in funny money at the door. This has been a long time running event for our council and many people from

around the area come regularly. If you have never been to Vegas night (formerly the ham roll or feather night) come out and see why so many people like it.

The last Vegas night raised money for the St. Mary's Hospital Foundation and Sue Dusick came out to our council to tell us about the foundation and thank us for the donation. The Knights donated \$2750 towards the rebuilding of the chapel in St. Mary's.

Grand Knight's Message

Well we all know that change is happening all around us and while we like some changes

and we don't like some they are difficult to control. This is true of the Knights. We have had several changes to the 4th degree regalia and I for one do not like the new uniform. The tradition of the cape and chapeau with feathers and a baldric and sword was how I was introduced to the Knights by my Father in law. I have reconciled that change to understand that the uniform is not the man or the job we have as Knights. There are also changes as the

program for our councils has changed and requires more certified training to ensure that the knights is making due diligence to protect from law suits especially around young people and sexual assaults.

There is more. The degrees are changing. No longer are the degrees secret in their new form(we still have to be silent about the old degrees) and the new ceremony is about 30 minutes long and all three degrees are issued at once. The new degrees can be witnessed by the whole community and there is encouragement to conduct them after Mass and in front of the whole church congregation. There are similar changes to the 4th degree exemplification

where the new inducting ceremony is not secret and can be witnessed by all.

You might imagine that there is considerable discussion amongst Knights about these changes and you would be right! Much supportive and much acrimonious discussion. If the Knights as an organization is to remain strong and grow, it must change with the times. I will work to slowly make the changes demanded by Supreme and try not to let the hard discussions take us away from our good work.

Chaplain's Message

Born of woman. The rebirth of humanity began from a woman. Women are sources of life. Yet they are continually insulted, beaten, raped, forced to prostitute themselves and to suppress the life they bear in the womb. Every form of violence inflicted upon a woman is a blasphemy against God, who was born of a woman. Humanity's salvation came forth from the body of a woman: we can under-

stand our degree of humanity by how we treat a woman's body, How often are women's bodies sacrificed on the profane altars of advertising, of profiteering, of pornography, exploited like a canvas to be used. Yet women's bodies must be freed from consumerism; they must be respected and honoured. Theirs is the most noble flesh in the world, for it conceived and brought to light the love that has saved us! In our day, too, motherhood is demeaned, because the only growth that interests us

is economic growth. There are mothers who risk difficult journeys desperately seeking to give a better future to the fruit of their womb, yet are deemed redundant by people with full stomachs but hearts empty of love.

For the right to life by Pope John Paul II

O heavenly Father , strengthen us against the mounting forces of anti-life; enlighten those who walk in this deadly way that they may see the enormity of their sin and return to the generous observance of the divine law. We pray , too, for mothers, that they may prize the great privilege of motherhood; and that they may bring up their children in the holy love and fear of God, thus saving their own immortal souls and furthering the honor and glory of their Maker, Through Christ our Lord Amen. Pray for us St. Gerard, protector of the mother and her unborn child, that we may be worthy of the promises of Christ!

A message from our Field Agent for the Knights

March brings thoughts of spring. For some, it's time to begin Daylight Savings Time; a little more sunlight into the evenings as the days become longer. For those in the north, it means looking forward to the thaw after winter. For some it is welcome relief after months of frigid temperatures, howling winds and heavy snow. Some in the south, who enjoy the milder winters, now realize again that after spring, a hot summer ensues.

Spring also brings thoughts of spring cleaning. After being cooped up all winter, it's traditional in many households to do that deep cleaning all throughout the house. That means washing down walls and moving furniture to clean behind pieces that haven't seen the light of day since last year's cleaning. It means taking down and washing drapes and curtains; windows are washed inside and out. (Thank goodness for modern tilt windows that mean no time outside in the chillier weather.) This is a time when the whole family is expected to pitch in and my "Honey Do" list gets longer and longer. (Personally, I'm the window washing guy.) In days gone by when most everyone had a coal fired furnace, a winter of closed windows meant the walls needed a good washing. With gas, electric and hot water boilers there's less of a need to wash walls, but for some, it's still a tradition. Spring is a time of renewal and revival.

While you're getting rid of all the old cobwebs of winter and freshening the house, now is a great time to do some sprucing up with a fresh look at your family's financial security.

As your Knights of Columbus Field Agent, I've been trained to help you through that important exercise. Sit down with me for a free financial need's analysis using our Profiles+ Forecaster platform. I'll take the time to gather information from YOU, ask about your wants, needs and desires, and put together any recommendations to help you meet those needs.

With a wide range of products; life insurance, long-term care insurance, disability income insurance and retirement annuities, I can help you plan for your family's financial security now and for many years come. All with the safety and security of dealing with a company that shares your faith and beliefs and invests in accordance with Church teaching. Be sure to ask about the new life insurance product, the Protector NLG Universal Life. It may be a fit for your particular needs.

Get ready for spring, get your home freshened up and make sure your financial house is spruced up. It's an easy and friendly visit from me, a brother Knight.

Vivat Jesus!
