## **Grand Knight's Message**

Editors Gerry Goetz and Tim Vegh [timvegh@gmail.com](mailto:timvegh@gmail.com)

Spring is here and summer is just around the corner! And with the change of seasons, it is a time of renewal for your Council.

I am pleased to report that we had a nominat-

ing committee come forth with candidates for ALL offices for the upcoming year.

Thanks to Jerry Goetz, Doug Zinger and Bob Brown for their efforts in this exercise. Elections will be held at the June meeting and your new executive will take office on July 1<sup>st</sup>.

My personal thanks to those who have served during the past year! A small dedicated group who made the Grand Knight's task easier by their cooperation and willingness to "pitch in and get the job done". It would be difficult to list all of the small accomplishments in this column; however they will be duly recognized at the Appreciation Night on July 12<sup>th</sup>.

Our membership campaign is being planned and our intent is to hold that in September. It sounds like a "broken record", but we need new members to carry on. And I suggest that we need **ACTIVE** members to make this happen. Everyone is busy, especially our younger members with families and the related activities. Please consider helping out with at least one event, if you cannot make it to our meetings. Thank you.

Brother Doug Zinger has put much effort into our Annual Car Show, which will be held on June 21<sup>st</sup> at Maryhill Heritage Centre. Please show your support by attending that

event and if you have a vintage vehicle, Doug and his committee would be happy to see it there. It is one of our largest events of the year and a fun day for all.

Brother Tery Runstedler is busy preparing for our Annual Golf Tournament in August. Another opportunity to support your council by participating or sponsorship.

As our fraternal year is coming to a close, my sincere thanks to all for your support. I was encouraged by seeing many members out at meetings this past year. What can your new executive do for you in the coming year??

Please let us know. My e-mail address is [gisley@golden.net](mailto:gisley@golden.net) or call me at 519-572-7176.

May your summer be filled with moments of relaxation and good times with family and friends and if travelling, a safe journey!

## **Chaplain's Message**

### **The Mass-- the Eucharist**

It is of great importance and command that we worship God and be present with God throughout our lives. There is this promise by Christ when he instructed His disciples to "do this in memory of Me". That is, at the Last Supper, joining his apostles to Himself with His Body and with His Blood. I am with you always until the end of time, was His promise and His gift to us. So, then we come as a community of believers around the Word of God and the Table of the Lord, we are present in God's Holy Company. It is at the Eucharist that we remember the past events and history of our redemption, that is

Christ's death and resurrection, giving to us light and life.

At Mass we offer, once again, Calvary, death and Easter, Resurrection. We offer Sacrifice to God, that is, Jesus' death, the Lamb of God who took away the sin of the world. We offer, praise and thanksgiving for all of God's goodness and blessings upon us. We petition God for our own personal needs and the needs of all people. We receive the True Presence of Jesus in Holy Communion, strengthening us and nourishing us on our journey in this life, and giving the promise of eternal life when death comes. The Eucharist joins us together as one family even though we are present as individuals, because of the One Loaf and the One Cup. The blessings continue to be bestowed upon us from God, through His Son Jesus, with His death and His resurrection. Nothing greater than this can be given to God while we attend and participate in this Holy and Sacred Meal.

## How council 6024 won the bid to host the concession tent at the 1984 plowing match

Dan Weadick tells the story

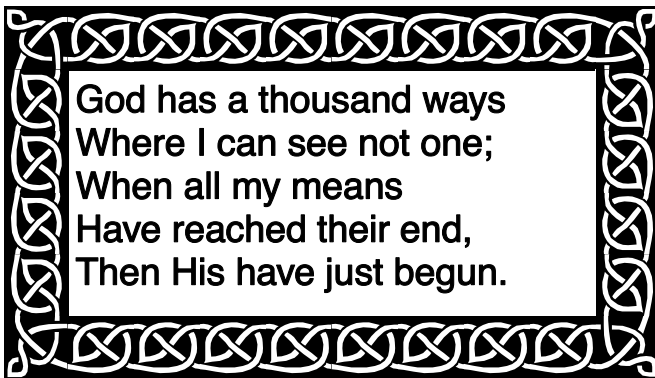

We had just found out that the Rotary group and ourselves had bid the exact same amount in offer to host the ploughing match concession tent which was \$6001.00.

The Department of Agriculture of Wellington County held all their meetings at Wellington Terrace where we were told to meet. The committee would decide how to break the tie and who to whom the bid would be awarded. Ted Fronchak, Gary Embro and myself met with Fred Beltare and a few others. I don't recall their names.

We were all sitting around a table and it was unanimous that we use a deck of cards to break the tie.

The card deck was placed on the table and Fred was drawing for the Fergus Rotary club and I was drawing for the Knights of Columbus. I drew first and got a Three. Gary and Ted said we may as well go home. However, Ted drew a TWO. We couldn't believe it! I still have the deck of cards at home.
