## Vegas Night April 27

- ◆ April 27 Vegas night
- ◆ June 1 Appreciation Night
- ◆ June 15 Car Show

Our longest continuously running event is scheduled for spring appearance. April 27 is the next Vegas night where chances on the spin of the wheel could let you claim cash, food, and other prizes. We have the kitchen open for

snacks during the event and of course our free sandwich snack at the end of the event is a tradition. Admission is free and we give \$5 in funny money to each family to get the night started off right.

Come out and have some fun with your neighbours and support the charities of the Knights. This year we will be giving to the Marymount Cemetery in Guelph.

## Grand Knight's Message

The Pancake dinner was well beyond our predictions with over 130 people served and a profit of \$660 to go to Autism school programs. This was an outstanding event but one that had us running to keep up with the unprecedented crowd. Some people may not have got all the food they wanted because we could not keep up and they could not wait. Next year we will do better. This event is meant to bring the community together and is not aimed primarily as a profit maker.

Please keep Fr. Voisin in your prayers as he recovers. We miss our Chaplain.

The Car Show is a go for this year as Br. Doug hands off the task of leadership to Br. Tom Runstedler. Please give Br. Tom all the support you can for this very popular event in June.

We are entering the end of term with nominations at the April General Meeting and elections at the May General meeting. Your Council needs you to help make the good

works happen. Nothing gets done without planning and the best plan does nothing without people to do the work.

Appreciation Night is rescheduled for June 1, come out to the Spaghetti Supper at the Community Centre and celebrate our achievements

Please keep in your mind those Catholic gentlemen around you that might not have been asked to be a Knight and Ask Them! Just get a name and email and I will take care of the rest. Happy Easter!

## Chaplain's Corner

It is with great joy and much peace that we celebrate the Resurrection of Jesus Christ. It is through Our Lord's suffering and death that the price of sin has been paid for all people and it is through His Resurrection from the dead that life eternal has been given to the world. The Father, in all of His love and mercy, has joined us once again to heaven and to the promise of living in His presence for ever. The whole sin offering has been achieved in Christ Jesus, God and man, and now we have an eternal high priest who continues to offer Himself in thanksgiving to God through the Holy Eucharist. This Eucharist continues to nourish and to strengthen us as we hear His word and eat and drink His Body and His Blood. Every time we come to remember this at the altar, it is a reminder of Christ's death and resurrection and pointing to our own death and resurrection. We sing our Alleluias this Easter and for many Easters yet to come.

A Blessed and Holy Easter to you and to your families.

Father Voisin

### RIGHT TO LIFE MONTHLY LINK

<https://citizengo.org/>

## Brother Knights:

We have had some discussion about using our informer and our web page to set up info about current happenings in the Right to Life organizations.

We are now being given so much information in all Right to Life Categories, whether it be Abortion, Suicide, Euthanasia, and many related items too numerous to mention.

Our Pro-life Director, Gerry Goetz, cannot possibly put all the info he receives into a forum to publish these very important items he would like to pass to the brother Knights.

We all know that when we are bombarded with too much information, we generally skip through it or skip it altogether. We are probably missing some really important news we need to know to engage in, to become a voice to stop a moral wrong, or join a movement to help defeat a unjust cause.

With this in mind we decided to pick just one current happening, or ongoing program. These items are not generally reported in the media. Each Informer we will provide a link to that website. That website link will be listed in the informer under the title **“RIGHT TO LIFE MONTHLY LINK”**. The URL will be printed so you can copy it into your favorite search engine.

We hope brother Knights will look for it in each informer publication to keep current with the Right to Life Movement, and the influence it has on moral issues of our time.

On our website, you go to

<https://www.knightsofcolumbus.ca/> .

On the main page you will see a horizontal menu. Pause on the Right to Life button, it will change color and above it Click on the item “monthly link”. It will take you to the intended web site.

If you do not have a computer, I pad, I phone or an internet connection, ask your grandchildren to help you find the web sites on their equipment.

## Pancake Supper

If you missed the Pancake Supper you missed one of the most successful ones yet. The first person arrived at 3:30pm and waited an hour before the first batch was ready. The crowd kept coming right up to almost closing time 6:30 pm. By that time, we had served well over a hundred people, and flipped over 400 pancakes, as well as dishing out 47 lbs. of sausages and over a gallon and one half of maple syrup. The generosity of those attending raised \$660.00 for the Oak Bridge Academy, a school for autistic and special needs kids. Many thanks to Mark Braun, Gail Braun, Doug Zinger and Tim Vegh for all their help. A special thanks for all those who enjoyed the supper and helped us in such a worthy cause. Gary Embro
